Where could you go to build your ultimate dream home? The islands are nice, but Taos real estate is better. Do you like mountains? Taos real estate has them. What about high-mountain deserts? Taos real estate mesas are at about 7000 feet. Did you mention a river, by chance? What about the Rio Grande River that takes up a big chunk of Taos real estate? Do you like huge, blue skies with dramatic sunrises and sunsets? Again, Taos real estate . . .

But where could you go to get everything you want in a big, huge package? Sure, Taos real estate, but where in the Taos real estate market would you find everything you want: a long ancient river with 360-degree mountain views, a high desert mesa for viewing spectacular sunrises and sunsets, and dark, starry skies beneath the Milky Way?

Here's a hint: About 25 minutes from the historic Taos Plaza sits a wide swath of mesa, hills, gorge and sky. It's divided into 2.5-acre to 6-acre and up lots with underground utilities for the 360-degree unobstructed views, well shares are in place, and you are literally steps down an ancient stagecoach trail that takes you to the Rio Grande River and the historic Manby Hot Springs alongside the river.

Gorge View Estates is the most romantic, historic, view-filled wonder you could ever hope to find, and we're lucky to have it here, included in our Taos real estate offerings. Gorge View Estates is the essence of Taos real estate, and it's here waiting for you and your architect.

Come experience Taos real estate and Gorge View Estates today. 2.5-acre homesites begin at \$100,000.

Remember, Taos real estate has never been as accessible as it is today. Taos real estate sellers often offer seller financing, and mortgage rates are at an all-time low. Come experience Taos real estate now, before everyone else in the world gets tuned in to this magical place. Taos real estate . . . it's a dream.
