Real estate industry professionals have predicted 2008 to be a "best year" to buy! Interest rates remain low, falling again below 6% last week, and inventories are strong giving buyers a good choice. In 2003, Angel Fire was one of five North American ski towns highlighted in Smart Money Magazine as an ideal place in which to invest in real estate. Located at 8,500 feet in the Sangre de Cristo Mountains, Angel Fire is a little piece of heaven abundant with outdoor activities. So if you are a looking for a vacation home in Angel Fire or land in Angel Fire, New Mexico Mountain Properties is ready to assist you. Check out our website www.HighMountainProperty.com for a more comprehensive look at the unique homes, land, and ranches in Angel Fire and the Moreno Valley. Make 2008 your "Best Year" To Buy!
