Ever want to get away from it all? I have a perfect property which allows you to live perched on a mountain top where you can have total privacy, peace and seclusion yet still be close to civilization's pleasures. This 1500 SF "AirLock Log Homes" cathedral style log cabin sits on 43 alpine acres offering 3 bedrooms, 2 baths, and is located across from Coyote Creek State Park in Guadalupe, NM.

A radio phone, which works just like a regular phone, offers communication with the outside world and can also provide DSL!! A 10X10 foot "power house" contains batteries and all electrical for the off-the-grid 2.5 kilowatt electrical system.

A water catchment system can store a total of 3800 gallons of natural, healthy rain water which is also filtered of any sediment. A Jotel brand wood stove provides plenty of heat in the winter.

Water heating is done by a flash (propane) on demand water heater which is very efficient and fast. The stove, oven and refrigerator are all fueled by propane. The 8-10 inch rock and concrete floor keeps the home cool in the summer.

Large windows that face south provide passive solar heat in the winter, and the large "ship-like" overhang of the roof provides plenty of shade in the summer.

There is also a 2-car garage on the property.

Live "far from the madding crowd" in this fabulous Off-The-Grid Getaway only 1 hour from Taos and 1/2 hour from the resort town of Angel Fire. The home on 43 acres is priced at \$339,000.

For more homes in Taos or in Angel Fire, check out the entire Taos, Angel Fire and Red River multiple listings on my website or feel free to call New Mexico Mountain Properties at 888-687-5253. We are here to serve you whether you are looking for a condo in the Taos Ski Valley or in the Angel Fire area or a authentic Taos home full of adobe charm. Perhaps a log home in Angel Fire is more to your liking or perhaps land in Taos or land in Angel Fire to build your dream home suits you best. Whatever your dream, allow the friendly and experienced agents at New Mexico Mountain Properties to be of service to you.
